Flex Loan FAQs

Can I apply if I have bad credit?

Yes! Any credit is welcome. You do not need excellent credit to be approved for a Tennessee line of credit.

What is a flex loan or line of credit?

Our line of credit gives you access to money "on demand." You can draw on it up to a maximum amount of \$4,000 for a set period. You'll only pay interest when you borrow on the line of credit. Once you pay back borrowed funds, that amount is again available for you to borrow. With this flexible borrowing option, you can choose when to take out the money, pay it back and borrow again, if you adhere to the terms as well as paying off what you borrow on time and in full.

Can I get a line of credit if I already owe a title loan ?

Yes! You can be approved for a line of credit even if you already have an existing title loan.
